- 5.5 Except as to any charges for the Work performed that District disputes and the District's standard five-percent retention of the approved progress payment, District will cause Contractor to be paid within 30 days of the date of the invoice or the date that Contractor furnishes District with a release of all undisputed Contract amounts, whichever occurs later. Federally funded projects will not have a five-percent retention.
- 5.6 In the event there is any claim specifically excluded by Contractor from the operation of any release, District may retain an amount not to exceed the amount of the excluded claim.

**Section 6. Labor Code and Prevailing Wage Requirements.**

- 6.1 Contractor agrees to comply with the requirements of California Labor Code sections 1810 through 1815. Eight hours of labor constitutes a legal day's work per Labor Code section 1810. Contractor will forfeit the statutory penalty to District for each worker employed in the execution of this Contract by Contractor or any subcontractor for each calendar day during which such worker is required or permitted to work more than eight hours in any one calendar day and 40 hours in any one calendar week in violation of the provisions of Labor Code sections 1810 through 1815.

- 6.2 Copies of the determination of the Director of the Department of Industrial Relations of the prevailing rate of per diem wages for each craft, classification or type of worker needed to execute this Contract are available for download from the State website: <http://www.dir.ca.gov/OPRL/dprewagedetermination.htm>.
- 6.3 Contractor must post at the work site, or if there is no regular work site then at its principal office, for the duration of the Contract, a copy of the determination by the Director of the Department of Industrial Relations of the specified prevailing rate of per diem wages. (Labor Code § 1773.2.) When applicable, copies of the prevailing rate of per diem wages will be on file at District's Office and available to Contractor and any other interested party upon request.
- 6.4 Contractor, and any subcontractor engaged by Contractor, may pay not less than the specified prevailing rate of per diem wages to all workers employed in the execution of the contract. (Labor Code § 1774.) Contractor is responsible for compliance with Labor Code section 1776 relative to the retention and inspection of payroll records.
- 6.5 Contractor must comply with all provisions of Labor Code section 1775. Under Section 1775, Contractor will forfeit the statutory penalty to District for each worker employed in the execution of the Contract by Contractor or any subcontractor for each calendar day, or portion thereof, in which the worker is paid less than the prevailing rates. Contractor may also be liable to pay the difference between the prevailing wage rates and the amount paid to each worker for each calendar day, or portion thereof, for which each worker was paid less than the prevailing wage rate.
- 6.6 Nothing in this Contract prevents Contractor or any subcontractor from employing properly registered apprentices in the execution of the Contract. Contractor is responsible for compliance with Labor Code section 1777.5 for all apprenticeable occupations. This statute requires that contractors and subcontractors must submit contract award information to the applicable joint apprenticeship committee, must employ apprentices in apprenticeable occupations in a ratio of not less than one hour of apprentice's work for every five hours of labor performed by a journeyman (unless an exception is granted under § 1777.5), must contribute to the fund or funds in each craft or trade or a like amount to the California Apprenticeship Council, and that contractors and subcontractors must not discriminate among otherwise qualified employees as apprentices solely on the ground of sex, race, religion, creed, national origin, ancestry or color. Only apprentices defined in Labor Code section 3077, who are in training under apprenticeship standards and who have written apprentice contracts, may be employed on public works in apprenticeable occupations.
- 6.7 Contractor has reviewed and agrees to comply with any applicable provisions for any public work subject to Department of Industrial Relations (DIR) Monitoring and Enforcement of prevailing wages, including the registration requirements of Labor Code Section 1771.1(a). District hereby notifies Contractor that Contractor is responsible for submitting certified payroll records directly to the State Compliance Monitoring Unit (CMU). For further information concerning compliance monitoring please visit the website location at: <http://www.dir.ca.gov/dlse/cmu/cmu.html>.

- 6.8 Contractor must comply with Labor Code section 1771.1(a), which provides that Contractor may award any contracts and subcontracts for work that qualifies as a “public work” only to subcontractors which are at that time registered and qualified to perform public work pursuant to Labor Code Section 1725.5. Contractor must obtain proof of such registration from all such subcontractors.”

**Section 7. Non-Discrimination.** Contractor, its officers, agents, employees, and subcontractors may not discriminate in the employment of persons to perform the Work in violation of any federal or state law prohibiting discrimination in employment, including based on the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, of any person, except as provided under California Government Code section 12940. Contractor is responsible for compliance with this section.

**Section 8. General Legal Compliance.**

- 8.1 In performing the Work, Contractor must comply with all applicable statutes, laws and regulations, including, but not limited to, OSHA requirements and the Municipal Code.
- 8.2 Contractor must, at Contractor’s sole expense, obtain all necessary permits and licenses required for the Work, and give all necessary notices and pay all fees and taxes required by law, including, without limitation, any business license tax imposed by District.
- 8.3 Contractor must maintain a valid California Contractor's License throughout the term of this Contract.

**Section 9. Clayton and Cartwright Act Assignments.** In entering into this Contract or a contract with a subcontractor to supply goods, services, or materials pursuant to this Contract for the Project, Contractor and any subcontractor will be deemed to have offered and agreed to assign to District all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2, commencing with Section 16700 of Part 2 of Division 7 of the California Business and Professions Code), arising from purchases of goods, services, or materials for the Project. This assignment will be deemed made and will become effective at the time District tenders final payment to Contractor, without further acknowledgement by the Parties.

**Section 10. Independent Contractor.** Contractor is and will at all times remain as to District a wholly independent contractor. Neither District nor any of its officers, employees, or agents will have control over the conduct of Contractor or any of Contractor’s officers, employees, agents or subcontractors, except as expressly set forth in the Contract Documents. Contractor may not at any time or in any manner represent that it or any of its officers, employees, agents, or subcontractors are in any manner officers, employees, agents or subcontractors of District.

**Section 11. Indemnification.**

- 11.1 Contractor agrees to the fullest extent permitted by law to (1) immediately defend and (2) indemnify District from and against, any and all claims and liabilities, regardless of the nature or type, that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Contractor, or its officers, employees, agents, or subcontractors committed in performing any Work under this Contract or the failure to comply with any of the obligations of this Contract (collectively, "Claims"). The Claims subject to Contractor's duties to defend and indemnify include, without limitation, all claims, actions, causes of action, proceedings, suits, losses, damages, penalties, fines, judgments, liens, levies, and associated investigation and administrative expenses. Such Claims also include defense costs, including reasonable attorneys' fees and disbursements, expert fees, court costs, and costs of alternative dispute resolution.
- 11.2 Contractor's duty to defend is a separate and distinct obligation from Contractor's duty to indemnify. Contractor is obligated to defend District in all legal, equitable, administrative, or special proceedings, with counsel approved by District, immediately upon tender to Contractor of the Claim in any form or at any stage of an action or proceeding, whether or not liability is established. An allegation or determination that persons other than Contractor are responsible for the Claim does not relieve Contractor from its separate and distinct obligation to defend under this section. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes an obligation to provide independent defense counsel if Contractor asserts that liability is caused in whole or in part by the negligence or willful misconduct of any District indemnified party. If it is finally adjudicated that liability was caused by the comparative active negligence or willful misconduct of any District indemnified party, then Contractor may submit a claim to District for reimbursement of reasonable attorneys' fees and defense costs in proportion to the established comparative liability of the District indemnified party.
- 11.3 Contractor agrees that its defense and indemnification obligation under this section, includes the reasonable costs of attorneys' fees incurred by the District's legal counsel to monitor and consult with Contractor regarding the defense of any Claims, including providing direction with regard to strategy, preparation of pleadings, settlement discussions, and attendance at court hearings, mediations, or other litigation related appearances. District will use its best efforts to avoid duplicative attorney work or appearances in order to keep defense costs to a reasonable minimum.
- 11.4 Contractor agrees that settlement of any Claim will require the consent of District. District agrees that its consent will not be unreasonably withheld provided that Contractor is financially able (based on demonstrated assets) to fulfill its obligation to indemnify District for the costs of any such settlement as required under this Contract.
- 11.5 Contractor's obligation to indemnify District applies unless it is finally adjudicated that the liability was caused by the sole active negligence or sole willful misconduct of a District indemnified party. If a Claim is finally adjudicated and a determination made that liability was caused by the sole active negligence or sole willful misconduct of a District indemnified party, then Contractor's

indemnification obligation will be reduced in proportion to the established comparative liability.

- 11.6 For the purposes of this section, "District" includes District's officers, officials, employees and agents.
- 11.7 The provisions of this section will survive the expiration or earlier termination of this Agreement.

**Section 12. Insurance.** Contractor agrees to have and maintain in full force and effect during the term of this Contract the insurance coverages listed in Exhibit B ("Insurance"), which is made a part of this Contract.

**Section 13. Notice.**

- 13.1 All written notices required or permitted to be given under this Contract will be deemed made when received by the other Party at its respective address as follows:

To District:                      Hornbrook Community Services District  
   PO Box 62  
   Hornbrook, CA 96044  
   Attention: General Manager

To Contractor:                      \_\_\_\_\_  
   \_\_\_\_\_  
   \_\_\_\_\_  
   Attention: \_\_\_\_\_  
   (Tel.) \_\_\_\_\_  
   (Fax) \_\_\_\_\_

- 13.2 Notice will be deemed effective on the date personally delivered or transmitted by facsimile or email. If the notice is mailed, notice will be deemed given three days after deposit of the same in the custody of the United States Postal Service, postage prepaid, for first class delivery, or upon delivery if using a major courier service with tracking capabilities.
- 13.3 Any Party may change its notice information by giving notice to the other Party in compliance with this section.

**Section 14. District Rights of Termination and to Complete the Work.**

- 14.1 The occurrence of any of the following is a default by Contractor under this Contract:
  - 14.1.1 Contractor refuses or fails to prosecute the Work or any part thereof with such diligence as will insure its completion within the time specified or any permitted extension.
  - 14.1.2 Contractor fails to complete the Work on time.
  - 14.1.3 Contractor is adjudged bankrupt, or makes a general assignment for the benefit of creditors, or a receiver is appointed on account of Contractor's insolvency.
  - 14.1.4 Contractor fails to supply enough properly skilled workers or proper materials to complete the Work in the time specified.
  - 14.1.5 Contractor fails to make prompt payment to any subcontractor or for material or labor.
  - 14.1.6 Contractor fails to abide by any applicable laws, ordinances or instructions of District in performing the Work.
  - 14.1.7 Contractor breaches or fails to perform any obligation or duty under the Contract.
- 14.2 Upon the occurrence of a default by Contractor, District will serve a written notice of default on Contractor specifying the nature of the default and the steps needed to correct the default. Unless Contractor cures the default within 10 days after the service of such notice, or satisfactory arrangements acceptable to District for the correction or elimination of such default are made, as determined by District, District may thereafter terminate this Contract by serving written notice on Contractor. In such case, Contractor will not be entitled to receive any further payment, except for Work actually completed prior to such termination in accordance with the provisions of the Contract Documents.
- 14.3 In event of any such termination, District will also immediately serve written notice of the termination upon Contractor's surety. The surety will have the right to take over and perform pursuant to this Contract; provided, however, that if the surety does not give District written notice of its intention to take over and perform this Contract within five days after service of the notice of termination or does not commence performance within 10 days from the date of such notice, District may take over the Work and prosecute the same to completion by contract or by any other method it may deem advisable for the account and at the expense of Contractor. Contractor and the surety will be liable to District for any and all excess costs or other damages incurred by District in completing the Work.
- 14.4 If District takes over the Work as provided in this Section, District may, without liability for so doing, take possession of, and utilize in completing the Work, such

materials, appliances, plant, and other property belonging to Contractor as may be on the site of the Work and necessary for the completion of the Work.

- 14.5 If District takes over the Work, District may also take possession of outstanding materials on order for the completion of the project, upon payment to the vendor. All excess costs incurred by District in obtaining such materials, will be the responsibility of the Contractor.

**Section 15. Project Documents.** All data, drawings, maps, models, notes, photographs, reports, studies and other documents (collectively, "Project Documents") prepared, developed or discovered by Contractor in the course of performing any of the Work under this Contract will become the sole property of District. Upon the expiration or termination of this Contract, Contractor must turn over all original Project Documents to District in its possession, but may retain copies of any of the Project Documents it may desire.

**Section 16. General Provisions.**

- 16.1 Authority to Execute. Each Party represents and warrants that all necessary action has been taken by such Party to authorize the undersigned to execute this Contract and to bind it to the performance of its obligations.
- 16.2 Assignment. Contractor may not assign this Contract without the prior written consent of District, which consent may be withheld in District's sole discretion since the experience and qualifications of Contractor were material considerations for this Contract.
- 16.3 Binding Effect. This Agreement is binding upon the heirs, executors, administrators, successors and permitted assigns of the Parties.
- 16.4 Integrated Contract. This Contract, including the Contract Documents, is the entire, complete, final and exclusive expression of the Parties with respect to the Work to be performed under this Contract and supersedes all other agreements or understandings, whether oral or written, between Contractor and District prior to the execution of this Contract.
- 16.5 Modification of Contract. No amendment to or modification of this Contract will be valid unless made in writing and approved by Contractor and by the Board of Directors of District or District Manager, as applicable. The Parties agree that this requirement for written modifications cannot be waived and that any attempted waiver will be void.
- 16.6 Counterparts, Facsimile or other Electronic Signatures. This Contract may be executed in several counterparts, each of which will be deemed an original, and all of which, when taken together, constitute one and the same instrument. Amendments to this Contract will be considered executed when the signature of a party is delivered by facsimile or other electronic transmission. Such facsimile or other electronic signature will have the same effect as an original signature.

- 16.7 Waiver. Waiver by any Party of any term, condition, or covenant of this Contract will not constitute a waiver of any other term, condition, or covenant. Waiver by any Party of any breach of the provisions of this Contract will not constitute a waiver of any other provision, or a waiver of any subsequent breach or violation of any provision of this Contract. Acceptance by District of any Work performed by Contractor will not constitute a waiver of any of the provisions of this Contract.
- 16.8 Interpretation. This Contract will be interpreted, construed and governed according to the laws of the State of California. Each party has had the opportunity to review this Contract with legal counsel. The Contract will be construed simply, as a whole, and in accordance with its fair meaning. It will not be interpreted strictly for or against either party.
- 16.9 Severability. If any term, condition or covenant of this Contract is declared or determined by any court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions of this Contract will not be affected and the Contract will be read and construed without the invalid, void or unenforceable provision.
- 16.10 Venue. In the event of litigation between the parties, venue in state trial courts will be in the County of Siskiyou. In the event of litigation in a U.S. District Court, venue will be in the \_\_\_\_\_.

### **COMPENSATION**

The compensation under this Contract will be made based on agreed upon hourly rates for manpower and equipment, plus the agreed upon cost for actual measured quantities of materials and supplies utilized for the Project; or in accordance with the terms of approved Task Orders as determined by the District Engineer.

## **EXHIBIT B**

### **INSURANCE**

1. **General Requirements.** Contractor must procure and maintain in full force and effect during the term of this Contract the following types of insurance with coverage limits complying, at a minimum, with the limits set forth below:

<u>Type of Insurance</u>	<u>Limits (combined single)</u>
Commercial General Liability	\$1,000,000
Business Automobile Liability	\$1,000,000
Workers' Compensation	Statutory Requirements

2. **Commercial General Liability Insurance.** This policy must meet or exceed the requirements of Insurance Services Office (ISO) CGL Form No. CG 00 01. The amount of insurance set forth above will be a combined single limit per occurrence for bodily injury, personal injury, and property damage for the policy coverage. Liability policies must be endorsed to name District, its officials, employees and agents as "additional insureds" under the insurance coverage and must state that such insurance will be deemed "primary" such that any other insurance that may be carried by District will be deemed "excess" to that of Contractor. This endorsement must be reflected on ISO Form No. CG 20 10 11 85 or 88, or equivalent form as determined by District. The insurance must be on an "occurrence" not a "claims-made" basis. Defense costs must be paid in addition to limits. There must be no cross-liability exclusion for claims or suits by one insured against another. Limits may be no less than \$1,000,000 per occurrence for all covered losses, and no less than \$2,000,000 general aggregate.

The Commercial General Liability policy must not contain any endorsements limiting coverage beyond the basic policy coverage for any of the following:

1. Explosion, collapse or underground hazard (XCU);
2. Products and completed operation;
3. Pollution liability; or
4. Contractual liability.

Coverage must be applicable to District for injury to employees of Contractor, subcontractors, agents or others performing any part of the Work required under this Contract. Each policy must be endorsed to provide a separate limit applicable to this Project.

3. **Business Auto Coverage.** This policy must be on ISO Business Auto Coverage Form CA 00 01 including symbol 1 (Any Auto) and Endorsement CA 0025, or equivalent forms approved in writing by District. Limits must not be less than \$1,000,000 per accident, combined single limit, or if Contractor neither leases nor owns vehicles, this requirement may be satisfied by a non-owned auto endorsement to the general liability policy described above. If Contractor or Contractor's employees will use personal autos in any way on this Project, Contractor must provide evidence of personal auto liability coverage for each such person.

4. **Workers Compensation.** Contractor must have a State of California approved policy form providing the statutory benefits required by law with employer's liability limits of no less than \$1,000,000 per accident for all covered losses, or Contractor must provide evidence of an approved self-insurance program.
5. **Other Insurance; Revisions to Insurance.** Contractor may be required to obtain such other insurance coverage as may be required by applicable law or by District. District reserves the right at any time during the term of the Contract to change the amounts and types of insurance required by giving Contractor 60 days' advance written notice of such change. If such change results in substantial additional cost to Contractor, District and Contractor may renegotiate Contractor's compensation.
6. **Acceptable Insurers.** All required insurance policies must be issued by an insurance company currently authorized by the California Insurance Commissioner to transact the business of insurance in the State of California, with an assigned policyholders' Rating of A- (or higher) and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the District's Risk Manager.
7. **Excess or Umbrella Liability Insurance (Over Primary).** If an excess or umbrella liability policy is used to meet limit requirements, the insurance must provide coverage at least as broad as specified for the underlying coverages. Any such coverage provided under an excess or umbrella liability policy must include a "drop-down provision" providing primary coverage above a maximum \$25,000 self-insured retention for liability not covered by primary but covered by the umbrella. Coverage must be provided on a "pay-on-behalf" basis, with defense costs payable in addition to policy limits. There may be no cross-liability exclusion precluding coverage for claims or suits by one insured against another. Coverage must be applicable to District for injury to employees of Contractor, its subcontractors or others performing work to satisfy Contractor's obligations under this Contract. The scope of coverage provided is subject to approval of District following receipt of proof of insurance as required herein. Limits are subject to review, but in no event may be less than \$4,000,000 per occurrence and aggregate.
8. **Certificates of Insurance and Endorsements.** Prior to commencing any Work under this Contract, Contractor must file with the District Certificates of Insurance and Endorsements evidencing the existence of all insurance required by this Contract, along with such other evidence of insurance or copies of policies as may reasonably be required by District. Such Certificates of Insurance and Endorsements must be in a form approved by District's legal counsel. Contractor must maintain current certificates and endorsements on file with District during the term of this Contract reflecting the existence of all required insurance. Each of the certificates must expressly provide that no material change in the policy, or termination thereof, will be effective except upon 30 days' prior written notice to District.
9. **Failure to Maintain Required Insurance.** If Contractor, for any reason, fails to have in place at all times during the term of this Contract all of the required insurance coverage, District may obtain such coverage at Contractor's expense and deduct the cost from the sums due Contractor.
