Peter,

Have you supplied this information to your District Engineer (DE)? If not please contact your DE and have them update your information and send the request to change your water system to a disadvantage to Tanya McCrae at [Tanya.McCrae@waterboards.ca.gov](mailto:Tanya.McCrae@waterboards.ca.gov) .

Once this has occurred a revised invoice can be created and if you have paid your invoice and we verify a refund is due we will process one for the overpaid amount.

Good afternoon,

We have received your message regarding water system fee reductions for disadvantaged communities, and respectfully request the fee reduction, as our community of Hornbrook is severely disadvantaged and meets the requirements set forth in the state's policies. Please find the median household income data below based on 2015 estimates available on American Factfinder, through the US Census Bureau.

To ensure timely payment of the invoice received, the check for the water system fee (invoice SM-1010981 attached) was prepared and paid by Siskiyou County during the first week of May. Your records should reflect such payment. We were advised by SWRCB Drinking Water staff to contact you regarding this matter.

Please let me know if and when a refund may be provided. If you have any questions, please do not hesitate to contact me by email or at the numbers below. Thank you,

The screenshot shows the American FactFinder website interface. At the top, there is a navigation bar with the United States Census Bureau logo and the text 'AMERICAN FactFinder'. Below this is a search bar with the text 'Enter a state, county, city, town, or zip code:' and a 'GO' button. The main content area is titled 'Community Facts - Find popular facts (population, income, etc.) and frequently requested data about your community.' The search results for zip code 96044 are displayed in a large box. The population is listed as 96044. The median household income is 35,500, with a source note: 'Source: 2011-2015 American Community Survey 5-Year Estimates'. Below this, there is a section titled 'Popular tables for this geography:' which lists several data tables for the 2015 American Community Survey and Census 2000. A sidebar on the left contains a list of categories with expandable arrows, including Population, Age, Business and Industry, Education, Governments, Housing, Income (which is currently expanded), Origins and Language, Poverty, Race and Hispanic Origin, Veterans, and Show All. At the bottom of the page, there is a footer with social media icons and the text 'CONNECT WITH US' and 'Accessibility | Information Quality | FOIA | Data Protection and Privacy Policy | U.S. Department of Commerce'.
